

Research Bursary

Credit Union Central of Saskatchewan is pleased to announce

The 23rd Annual Norm Bromberger Research Bursary

To be awarded in support of research relating to co-operatives and/or credit unions

This bursary has been established in recognition of the outstanding contributions made by Norm Bromberger to the development of credit unions and co-operatives in Saskatchewan and across Canada. Bromberger was research director and then chief executive officer of Credit Union Central, for a total of twenty-seven years of service with the credit union system of Saskatchewan. He also played a prominent role in developing Credit Union Central of Canada and establishing other co-operatively owned financial service organizations.

The Norm Bromberger Research Bursary will provide \$2,000 each year to encourage research in the area of co-operatives and credit unions.

The criteria for application are:

- involvement in co-operatives and/or credit unions as a volunteer or employee
- a supporting statement explaining how the proposed study will contribute to credit unions and/or co-operatives
- an understanding that a copy of the completed work will be submitted to Canadian credit union and co-op resource centres

Candidates who have been unable to secure sponsorship for their study from the co-operative or credit union with which they are associated are urged to apply. All applications will be considered, especially those where the financial support of the bursary is essential to undertaking the research project. Preference will be given, but not limited, to Saskatchewan candidates.
