Analyzing Co-op Policy Cases

Poster presentations by students in JSGS 846

Co-operatives in the New Economy: Institutions, Governance, and Policy

We are pleased to invite you to a wine and cheese reception showcasing the work of graduate students in public policy.

Topics include:

- Are tax incentives for co-op development good public policy?
- Are credit union tax deductions good public policy?
- Was the Co-op Development Initiative good public policy?
- Should government legislate governance practices for co-ops?

Posters will outline the policy problem and provide insights into the issue.

Wednesday, 7 January 2015

4:15 – 5:30 pm, River Room, Diefenbaker Building
101 Diefenbaker Place, U of S campus, Saskatoon
